Hello,

As the first quarter comes to a close, I would like to thank all of the parents, students, and staff for making Coal Ridge High School such an amazing place to be!

I am extremely proud of the growth we have seen with our student between the PSAT and SAT tests. The current senior class at CRHS has been the first class we can compare test scores for. In the spring of 2016, these students took the PSAT and had a composite score of 909. This same cohort of students took the SAT in the spring of 2017, and they had a composite score of 988. This is a tremendous amount of growth for the students at CRHS. I am extremely pleased with the work our teachers and students put in to be prepared for the PSAT and SAT tests last year, and this is a focus we are going to continue to foster at CRHS this year.

I would like to thank the Coal Ridge High School student council members for all of the hard work they put in over Homecoming week. The student council is also almost ready for their first town hall meeting, which will be a place for students to voice their opinions on issues that affect Coal Ridge. The student council is finishing the meeting guidelines and protocols and should be getting this venture up and running very soon!

I am excited to continue all of the great work that has been started at CRHS, and I look forward to the continued growth of our students in all areas of their lives.

Sincerely,
Dr. Jackie Davis

Describe yourself: I’m really busy person. I have a job, I play four sports Volleyball, Basketball, Track, Soccer and my school work especially the AP courses keep super busy.

Describe your family: I have four siblings and a dog named Charlie. My older sister is in college at Kansas Wesleyan University. She is studying Biomedical Chemistry to be an Anesthesiologist and plays volleyball for KWU. I also have three younger siblings, one at Riverside Middle School and two others at Katheryn Senor Elementary.

What do you do for Hobbies/Fun/Recreation
Sports, sports, more sports and school spirit. When I’m not participating in sports I’m supporting my fellow Titans, cheering them on.

Future plans/Aspirations: Planning on playing volleyball at college nursing then Chiropractor

What are you most proud of and/or who/what has made the biggest impact on your life? I was most proud of the year we went to state when I was sophomore.

The biggest impact in my life would be my adoption, my parents are totally supportive and my family is very important to me.

Coal Ridge High School—Lighting the fire within!
Ms. Camilla Bates!

What is your position at Coal Ridge High School? I teach Spanish and Aerobics and I also co-sponsor the Titan Technos robotics club.

What is the favorite part of your job? I really enjoy having fun with my content and students. And having fiestas - definitely fiestas.

Do you have a favorite student story? It’s not really specific, but every few years I have students that really struggle with Spanish, but still push themselves through all four years. I am always inspired by their drive to turn what was initially a weakness into a strength.

What is something people would be surprised to know about you? I am incredibly afraid of heights, but I like to challenge my fear now and again to see if I can get over it, such as climbing on top of a 24 ft roof or going zip-lining in Costa Rica.

What do you think is the best part of our Coal Ridge Team? I really enjoy the collaborative spirit. If I need help or ideas for activities, there is a wealth of knowledge amongst our faculty.

Coming soon...

Be on the lookout for exciting additions to our ESL program. Our goal is to reach even more individuals from our wonderful community.

Recipe of the Month

Cranberry Salsa
by: Gaylene Gould

1 bag Fresh Cranberries-chopped
1 Granny Smith Apple -chopped
1/2 red pepper - chopped
1/2 red onion- chopped
1/2 - 3/4 C. sugar
1/3 C. apple juice
fresh cilantro to taste
3 Tbs diced jalapeños/ to taste

Chop all ingredients in a food processor, mix together in a bowl. You can add juice from 1/2 of fresh lime if desired. You can also add more or less jalapeños to taste for desired hotness. Serve w/ chips. This is also great w/ pork, turkey, grilled fish, breakfast, chicken. Enjoy!!
